 - Services, to the extent such services, or benefits for such services, are available under a government plan. This exclusion will apply whether or not the person receiving the services is enrolled for the government plan. We will not exclude payment of benefits for such services if the government plan requires that Dental Insurance under the group policy be paid first.
 - Duplicate prosthetic devices or appliances;
 - Replacement of a lost or stolen appliance, Cast Restoration, or Denture; and
 - Intra and extraoral photographic images.

Limitations

Alternate Benefits: Where two or more professionally acceptable dental treatments for a dental condition exist, reimbursement is based on the least costly treatment alternative. If you and your dentist have agreed on a treatment that is more costly than the treatment upon which the plan benefit is based, you will be responsible for any additional payment responsibility. We suggest you discuss treatment options with your dentist before services are rendered, and obtain a pre-treatment estimate of benefits prior to receiving certain high-cost services such as crowns, bridges or dentures. You and your dentist will each receive an Explanation of Benefits (EOB) outlining the services provided, your plan's reimbursement for those services, and your out-of-pocket expense. Procedure charge schedules are subject to change each plan year. You can obtain an updated procedure charge schedule for your area via fax by dialing 1-800-942-0854 and using the MetLife

Dental Automated Information Service. Actual payments may vary from the pretreatment estimate depending upon annual maximums, plan frequency limits, deductibles and other limits applicable at time of payment.

Cancellation/Termination of Benefits: Coverage is provided under a group insurance policy (Policy form GPNP15-2T / GCERT2015-DENTAL) issued by MetLife. Coverage terminates when your membership ceases, the participating association ceases to participate in the trust, insurance ceases for your class, when your dental contributions cease or upon termination of the group policy by the Policyholder or MetLife. The group policy terminates for non-payment of premium and may terminate if participation requirements are not met or if the Policyholder fails to perform any obligations under the policy. The following services that are in progress while coverage is in effect will be paid after the coverage ends, if the applicable installment or the treatment is finished within 31 days after individual termination of coverage: Completion of a prosthetic device, crown or root canal therapy.

1. Preventive services (Type A) are 100% covered when you visit an in-network participating dentist. Subject to frequency limitations.
2. Your out-of-pocket costs may be greater when you visit a dentist who does not participate in the MetLife network.
3. Based on internal analysis by MetLife. Savings from enrolling in a dental benefits plan will depend on various factors, including the cost of the plan, how often participants visit the dentist and the cost of services rendered.

Coverage may not be available in all states. Please contact the Third-Party Administrator, Benefit Partners Group at 1-847-247-8811 for more information.

Rates may be changed on the entire group plan or on a class basis and on any premium due date on which benefits are changed. A class is a group of people defined in the group policy. Benefits are subject to change upon agreement between Metropolitan Life Insurance Company and the participating organization.

The association and/or the plan administrator incurs costs in connection with providing oversight and administrative support for this sponsored plan. To provide and maintain this valuable membership benefit, MetLife may compensate the association and/or the plan administrator for these and/or other costs.

Like most group benefit programs, benefit programs offered by MetLife and its affiliates contain certain exclusions, exceptions, reductions, limitations, waiting periods and terms for keeping them in force. Please contact the Third-Party Administrator, Benefit Partners Group at 1-847-247-8811 for costs and complete details.
